New! Check-In Process

The Javits Center has implemented a vehicle/driver registration system. It is mandatory for all vehicles and drivers to register before entering the facility via the Truck Entrance (12th Ave. & 40th Street)

You have two options for registering your vehicle and driver:

Option 1. Pre-register prior to your arrival by scanning the QR code or by clicking the link below.

Option 2. On-site Registration at the Check-In Office (12th Ave. approximately 1 block north of 34th St.)

We encourage all drivers and vehicles to be pre-registered as it will expedite the move-in process.

You will need to register your vehicle and driver’s information each time you enter the Javits Center property. If you exit the property and plan on reentering the property you will need to register your vehicle even if you are entering again on the same day.

Regardless of being pre-registered or register on-site you will need to check-in at the Boat Show Check-In office on 12th Ave. approximately 1 block north of 34th St.

All Exhibitors: All drivers looking to access the Javits Center must obtain a move-in pass from the check-in office located at (12th Ave. approximately 1 block north of 34th St.) 30 minutes prior to your scheduled move-in time to obtain a move-in pass. You will not be allowed to enter the facility via the Truck Entrance without the move-in pass. This pass must be displayed in clear view, printed side up on your dash above the steering wheel. If the driver and trailer are not pre-registered in the Javits Registration system, they will need to do so prior to being issued a move-in card. Please be aware that there is no space around the Javits Center for staging your vehicle.

Upon entering the facility, the driver will need to provide a valid driver’s license to Public Safety. Once cleared by Public Safety you will be instructed by show staff on where and how you need to proceed.
